

Our service

Description

Our Services

01

experience

Experience seamless automation with our **55+ pre-installed strategies**. Our software gives you the flexibility to **build, back-test, and live-test** your own strategies on **paper trading** allowing you to perfect your approach in a risk-free environment before going live.

02

demat account

To join the **Trader Club**, you only need a **demat account** with some balance. The **Trader Club** gives you an **opportunity to come together** and the **right way to understand and know the trading market**.

03

amount safety

(Trader Club) Your demat account **you** only will put the amount, and **you** only will withdraw the amount, and **no one else** can withdraw balance from your account, you **do not need to give** anyone the account, you **where you are** from **there only** you can take service from us.

04

service

Trader Club offers its service whether you know how to trade or not. There is just a small monthly fee, and then you have freedom/it's hassle-free.

05

give freedom

â??The (Trader club) gives you freedom, from sitting in front of the chart for hours freedom, no need to see which trade when to take when to exit.â?•

06

securities

â??Investment in securities markets are subject to market risks, read all the related documents carefully before investing.â?•
